

Minor Revisions Made to 8th Edition Instructor Materials

Effective: immediately

The ITLS International Editorial Board has made minor modifications to some of the 8th edition instructor materials. The revised materials, including pre-test and post-test examinations, as well as PowerPoints have been uploaded to ITLS Alberta.

Please ensure you are using version 8.4 for all examinations going forward.

Exams

The answer choice options for two questions have been modified. The files affected are: Advanced Post-Test Exam Version A, Advanced Post-Test Exam Version, B and Basic Post-Test Version B. (All exam files have been updated to be called V8.4 for consistency.)

PowerPoints

Minor corrections have been made to Chapter 4, slide 20, and Chapter 10, slide 29.
